

GREEN VEGETABLE GYOZA (TRAY)

グリーン ベジタブル 餃子

PRE-STEAMED

FULLY COOKED

CONVENIENT PACK STYLE

MADE IN U.S.A.

FEATURES & BENEFITS:

- ❖ Its wonderful green skin, adopted from spinach powder, resembles a truly vegan pot sticker Gyoza.
- ❖ TVP (textured vegetable protein) enhances the all vegan filling with a “meaty” mouth fill and satisfying bite.
- ❖ Although pan-seared and steamed are popular cooking methods; when deep-frying this item, the spinach powder provides a more delicate thin skin with a crunchy texture.
